

YOUR 360° ESG
REPORTING SOLUTION
TURN ESG REPORTING FROM BURDEN
TO VALUE CREATION

YOUR 360° ESG REPORTING SOLUTION

Our **holistic ESG Reporting Solution** automates a wide variety of ESG frameworks including the Taskforce on Climate-Related Financial Disclosures (TCFD), ESG Data Convergence Initiative (EDCI), and various Diversity, Equity and Inclusion (DEI) frameworks and questionnaires.

Our flexible approach to ESG reporting allows us to customize frameworks to the unique needs of our clients.

ESG DATA CONVERGENCE INITIATIVE (EDCI)

Backed by the world's largest LPs & GPs

Standardization of ESG data reporting and benchmarking for the Private Equity industry

Exclusively tailored to Private Equity

TASK FORCE ON CLIMATE RELATED FINANCIAL DISCLOSURES (TCFD)

Large international buy-in through current and pending legislation

Detailed analysis of climate risk

DIVERSITY, EQUITY, INCLUSION (DEI)

Improves stakeholder engagement

Mitigates reputational risk

Improves employee and customer satisfaction and retains top talent

WHY CHOOSE ESGTREE'S 360° ESG REPORTING SOLUTION?

Centralize EDCI data collection for your portfolio, reducing manual administrative work for your team

Aggregate portfolio data into trends, visualizations and company-specific scorecards

Leverage ESGTree's benchmarking feature to compare your ESG performance against a dataset of over 10,000+ public companies

Generate an automated TCFD report by answering 40 easy multiple-choice questions

Use ESGTree's Carbon Calculator to seamlessly track emissions by inputting information readily available on hand

Leverage ESGTree's proprietary TCFD scorecard to chart next steps in improving climate reporting

Automate DEI data collection

Align with popular DEI frameworks like the Institutional Limited Partners Association's Diversity in Action initiative or the Business Development Bank of Canada's DEI template

Generate DEI reports at the firm and portfolio level alongside trends, visualizations and analytics that can be used for direct reporting

THE ESGTREE DIFFERENCE

ESGTree's founding team comprises sustainability, tech and impact investment professionals who bring decades of global ESG, sustainability and impact development experience. In addition to our 360° ESG Reporting Solution, we provide advisory services to clients at all stages of the ESG journey.

CLIENTS

Our diverse clientele keeps us informed of and involved with the challenges of ESG data collection and analysis. We use this frontline experience to continually innovate, optimize and find better solutions to pressing ESG concerns. We work with a range of financial institutions including Impact Investors, Private Equity and Venture Capital Firms, Pension Funds, Development Finance Institutions, Banks, Corporations and more.
